---

**Level:** Intermediate

**Preparation:** You will need to have internet access for this activity. Check the You Tube link below before you use it in class. Copy the list of places below on the board.

**In class:** You are going to show your students (or ask them to watch at home) this short film clip of Wembley Stadium, the home of the England football team:  
[www.youtube.com/watch?v=x84KqtgGm9E&feature=related](http://www.youtube.com/watch?v=x84KqtgGm9E&feature=related) (or type in 'Wembley Stadium').

Before they watch, they should list 10 things or places they think they will see in the film. Then they watch and see how many they guessed correctly.

Ask students to watch again and tick off the places they see in the film:

- pitch
- snack bar
- seats
- club shop
- changing rooms
- baths
- showers
- the tunnel
- first aid room
- scoreboard

Ask them to put in the correct order, the places which appear in the film.

Ask them to list as many other objects as they can, which they see in the film.
